

#### Introduction

Ofwat's Wholesale Charging Rules published in October 2018 sets out a requirement that where special agreements apply to Eligible Premises undertakers must impose charges which enable the licensee to charge for those services at the same rate or rates as would have applied if the Special Agreement had not existed. It also sets out a requirement for undertakers to publish these charges.

#### Wholesale Charges for Special Agreements

The table below sets out the wholesale charges applicable to all Eligible Premises that are not charged under the standard charges contained in the 2020-21 Wholesale Charges document.
